Development Services

Mission Statement:

The Department of Development Services understands its critical role in creating an environment that is conducive to capital investment in all of Hartford's neighborhoods. Each of the Divisions work together to ensure that neighborhood initiatives and public/private investment are aligned with "One City, One Plan". The Department strives to benefit city residents through the creation of jobs, community services, safe and affordable housing, and places to shop and recreate.

Significant Features:

The Adopted Budget for Fiscal Year 2013-2014 is \$4,702,766. This reflects a decrease of \$363,972 or 7.2% compared to the Adopted Budget for Fiscal Year 2012-2013. The net decrease is the result of split funding (LSNI) positions, elimination of positions and non-personnel adjustments.

Strategic Plan Initiatives:

- Implement One City, One Plan through the integration of planning grants, the livable sustainable neighborhoods initiatives and the iQuilt
- Develop the strategy to maximize homeownership & affordable housing opportunities
- Identify and implement new resources for eliminating blight and increasing homeownership city-wide, improve and preserve housing stock, as well as creating mixed-income housing in the downtown area
- Promote Entrepreneurship - through the Small Business and Corporate Programs by fostering a closer relationship and aligning resources from the State and the Federal government to encourage and sustain startups
- Provide meaningful experiences, which improve the quality of life for Hartford residents and visitors and promote the City of Hartford as a vibrant place to live, work and play
- Enhance Livability and Economic Opportunities
- Improving Department's Operational Efficiency
- Implement online permitting system
- Working with the Department of Public Works to accelerate the neighborhood streetscape projects funded through our capital improvement program and aggressively implementing the Intermodal Triangle funded by the recently awarded TIGER IV grant
- Collaborating with the Livable and Sustainable Neighborhoods Initiative team to focus resources in a manner that is consistent with individual neighborhood development plans and make our many diverse communities great places to live and raise a family
